# Happy Clients

“ The Event Works Europe Ltd team were pivotal in the successful planning and delivery of the 2023 APCC/NPCC Annual Partnership Summit. The event management experience and knowledge amongst Jayne and all her team was crucial, providing NPCC and APCC with the confidence and assurance around the planning for the event, including aspects such as venue management, registration, the identification and onboarding of sponsors and exhibitors, catering, accommodation and AV. Their professionalism, diligence and overall support to this event has been first class and I would highly recommend them to others. ”

**Gemma Stannard** *Head of NPCC Strategic Hub, National Police Chiefs' Council (NPCC)*

“ Just to echo from me a big thanks to all the Event works team. You did a great job and should be very proud of the role you played in getting this new type of event over the line! Let me also say how great a job you did Sharon, Jayne and Rob; not just on what was asked of you – but mostly for the times you stepped up and connected things that were loose. You managed to operate through all the challenges. ”

**George Anadiotis** *Connected Data London/Knowledge Connexions*

“ Having the Event Works team on our side to organise the virtual event really made a difference to the event we delivered to our team, in particular in terms of the interactivity and engagement.

It helped our people to pay attention and feel involved during a 3-day event, while seated in front of their computer screens! They appreciated the balance between entertainment and useful information, which served our goal to re-energise the team at the beginning of the season. ”

**Elise Guérin** *Marketing Lead EMEA*  
The Climate Corporation

“ I have relied on Jayne and her team for many years now for event support ranging from dinners to press events to large conferences and European roadshows and incentives both at RightNow and |at Neo4j.

Jayne is a total pro, very reliable, always going the extra mile with ever changing requirements.

We see Jayne and her team as an extension to our own team and it's a joy to know her by your side at your next big gig. ”

**Claudia Remlinger**

**Sandi Atkinson** *Executive Officer*

“ The Eventworks team were indispensable to Connected Data London – it was great working with Sharon, Jayne and team. I'd have no hesitation in recommending them and look forward to working together again in future. ”

**James Phare** *Director*  
Neural Alpha

“ Sharon, Vicky and the EventWorks team were fantastic prior to, and during the delivery of the Science and Technology Innovation Conference, it wouldn't have been the success it was without them! Their professionalism, expertise and willingness to assist in all aspects of event management was critical for the success of the conference.

Their knowledge of event management was extensive, and they were able to source us not only an excellent venue and facilitator, but also field many difficult last-minute requests from our team leading up to the day. If you want to host a high-profile and professional event, EventWorks are the company you are looking for! ”
